## New This Year...Shamble Format

Golfers in the Open Tournament will play a shamble format on the second day, to promote more fun for all levels of players. The Women's Tournament will continue in a two-day scramble format.

## About the Tournament

This fun family event is a special fundraiser for the Roger W. Emmons Memorial Scholarship Fund.

Roger Emmons was the first Executive Director of Oregon Refuse & Recycling Association (ORRA). He was a key voice in setting solid waste policy in Oregon and a strong advocate of the solid waste industry. Roger passed away in 1986 and was inducted into ORRA's Hall of Fame in 1993.

ORRA established the "Roger W. Emmons Memorial Scholarship" in his memory in 1986. One percent of ORRA regular member dues is contributed to the fund. All children or grandchildren of the owner of an ORRA regular member company, or children or grandchildren of an ORRA regular member company's employee (if employed three or more years) are eligible for the scholarship. Initially, the fund was able to award \$1,000 scholarships. In 1994, a group of members, led by Lowell Kuenzi, proposed holding a golf tournament to raise additional funds with the goal of awarding four-year renewable scholarships. The additional funds, coupled with investment earnings, made the goal come true in 1999. To date, 44 scholarships have been awarded!

Thank you for your continued support and participation in this fun and worthy tournament to help deserving students with their college education. If you cannot attend this year, please consider becoming a sponsor.

This is an open tournament, so please ask your non-ORRA guests to join you. We are happy to send a registration package to a potential guest at your request.
